Coming to a Website near You! Stories and rumors of magic have been present in the world for centuries. But for millennia, people have only seen in the world the cruel conspiracy of the great darkness, the One who destroyed the world of Elodia. Living in Dione's territory The kingdoms, territories, and other areas that emerged in ancient Elodia had been ruled by the will of the gods. Elodia has been destroyed The One whose true form has not been revealed to the gods or any living creature, and even the darkness did not comprehend it, created the darkness, brought about the destruction of the world of Elodia, and has been holding it together. And now? The One who allowed the darkness to grow strong and took away its poison made the One who came before him his enemy. At the heart of that darkness, the man god King Jadyan-God kept his own power, and during the great darkness, he obtained the king's position and his power. As the One who came after restored this world of Elodia, the great battle between the light and the darkness is unfolding. And Dione? The only one who was able to see and understand the world as it was before the great darkness, and who could also see the truth within the darkness, was Dione. And she is a woman who came from an ancient land, and the one who belongs to a people that lost its king's land and became a wandering clan. Not just a goddess, she is a queen-king. She has changed a lot during the 3,700 years she has been on this world. Traveling in a distant land, she is, as she has always been, an average girl who had no intention of ruling a country. But when the dark shadows of the evil god King Jadyan-God, a frightening person who blazed like a shooting star in the ancient time, arrived in front of Dione, she was unable to ignore him. And, as she considered the great darkness of this world, the great darkness caused by the One who came before him, and the great darkness that was contained within the man god King Jadyan-God, she ultimately decided that she would shoulder the great darkness and protect this world. bff6bb2d33
